PROFESSIONAL SUMMARY

Motion graphics designer and video editor with 8+ years of freelance experience creating logo animations, brand motion, motion graphic ads, and stream overlays for agencies, media brands, and content creators, including SAMA News, Aura Agency, and Yellow Academy. Combines motion with graphic design (branding, social media, YouTube thumbnails) to turn ideas into bold, engaging visuals that strengthen brand presence. Currently working full-time, remote, as a motion designer at Grintafy Technologies.

SKILLS

Motion: Motion Graphics, Logo Animation, Brand Identity Animation, Motion Graphic Ads, Video Editing, Stream Overlays & Twitch Packs

Design: Branding & Logo Design, Social Media Design, YouTube Thumbnails

Tools: Adobe After Effects, Premiere Pro, Photoshop, Illustrator

WORK EXPERIENCE

Grintafy Technologies LLC - Motion Graphic Designer & Video Editor **Aug 2025 – Present**
Full-time | Remote

- Create motion graphics and edited video for the company's product and social media content, keeping every release on-brand and ready to publish.

Creativa Innovation Hub, Port Said - Graphic Designer & Video Editor **Sep 2025 – Nov 2025**
Port Said, Egypt

- Designed graphics and edited videos for the hub's programs and events to promote them across its social channels.
